

Letter of Authority

Date 11/07/2009

To Whom It May Concern:

This is to confirm that Debbie Elderton and her team at Arcana Salons in Milton Keynes are registered with Cancer Research UK. They are arranging a Cinderella Ball at the MK Dons Stadium on the 30th October. All profits made will be used to support the works of the Charity.

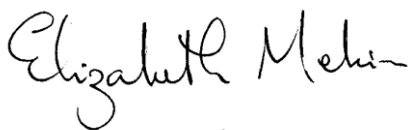

Any support that you are able to offer, whether it be a prize, a donation, sponsorship or practical support, will be greatly appreciated. It is genuinely the case that every penny counts.

Thanks to all the many kinds of past support for Cancer Research UK, our world-class doctors and scientists can work together, to not only push through new and effective treatments for cancer faster than ever before, but also to prevent more people from developing the disease in the first place. Progress is being made all the time; so much so, that we are aiming to be able to control cancer within two generations. Our laboratories welcome visits if you would like to see just what a difference your support can make.

If you have any queries, or would like further information on Cancer Research UK, please do not hesitate to contact me on 01295 780976 or by email Elizabeth.melvin@cancer.org.uk

Thank you.

Yours sincerely,

Elizabeth Melvin
